MURAT CAN BAŞKAN

MARITIME TECHNOLOGIST

UNLIMITED CHIEF ENGINEER · IMarEng · MIMarEST

MARITIME / ENGINEERING / SOFTWARE / DECISION SYSTEMS

Maritime technologist combining newbuild, dry-dock and engine-room experience with maintenance, troubleshooting, team coordination and technology-led product development.

PROFESSIONAL EXPERIENCE

CHIEF ENGINEER — 2025–2026
MARITIME SECTOR · TURKISH-FLAGGED FLEET

Leadership and operation of the engine department; team, planned maintenance, fuel and lubricating-oil management, class and flag inspections. Ongoing project: BMMS — an evidence-grounded, source-traceable maritime engineering knowledge system using Paris MoU data.

SECOND ENGINEER — 2024
YA-SA SHIPPING · M/V YA-SA NEPTUNE · ME-C

Took delivery of a new-build ME-C vessel from the Chinese shipyard team and integrated her into the fleet.

SECOND ENGINEER — 2023
NAKKAŞ SHIPPING · M/V KATYA ATK

Improved the operation and condition of a Turkish-flagged vessel within the RightShip framework.

SECOND ENGINEER — 2022
BEKS SHIPPING · M/V BEKS LEO

Took delivery of a 2012-built Capesize vessel; coordinated dry-docking, maintenance, certification, reporting and AMSA preparation.

SECOND ENGINEER — 2021
DENSAY GROUP · M/V SSI PROVIDENCE · ME-B

Machinery handover on a Hyundai new-build; company ISM procedures, automation and PMS operations.

FOUNDER — 2020
BSKN NET

Maritime software initiative; market research, competitor analysis and product positioning for user-friendly applications.

SECOND ENGINEER — 2019–2020
LİDER GROUP · M/V FOREST PANAMA

Vessel entry into the Turkish fleet; handover, document renewal and reconstruction of ISM procedures.

SECOND ENGINEER — 2019
M/V SAADET C

Main-engine and crane-hydraulic maintenance on a geared bulker with four deck cranes.

SECOND ENGINEER — 2018
YA-SA SHIPPING · M/V SEA PIONEER

Main-engine maintenance within the planned-maintenance system.

MAINTENANCE ENGINEER — 2017
KARPOWERSHIP · AYŞEGÜL SULTAN / OSMAN KHAN

Planned maintenance, team leadership and spare-parts coordination on floating power plants with Wärtsilä V-type generator sets.

SECOND ENGINEER — 2015–2016
DFDS · UN MARMARA / UN PENDİK / UN ATILIM

Operation and manoeuvring on Ro-Ro vessels with twin four-stroke engines and controllable-pitch propellers.

SECOND ENGINEER — 2013–2014
DENSA SHIPPING · DENSA SEA LION / DENSA LION

Maintenance, repair and personnel-work management in the engine room and on deck.

SERVICE ENGINEER — 2013
ALFA LAVAL

Field service, maintenance and repair of marine auxiliary machinery and land-based equipment.

PROPELLER & SHAFT ENGINEER — 2012
TGE SHIPYARD · GEMAK GROUP

Shaft maintenance on twin-screw controllable-pitch vessels; yard scheduling and team coordination.

THIRD ENGINEER — 2011
DÜNYA SHIPPING · M/T GAN DIGNITY

Operation of advanced steam-turbine systems aboard a new-build tanker.

FOURTH ENGINEER — 2008–2010
DİTAŞ · CUMHURİYET / T SEVGİ

Steam-turbine cargo pumps, boilers, inert gas, ballast, shaft generator and controllable-pitch propeller.

THIRD ENGINEER — 2007
DÜNYA SHIPPING · M/T GAN SURE

FRAMO and inert-gas operations; tanker ISM and planned-maintenance preparation.

CURRENT POSITION

CHIEF ENGINEER · 2025–2026

Leadership and operation of the engine department; team, planned maintenance, fuel and lubricating-oil management, class and flag inspections.

MARITIME INNOVATION

BMMS — an evidence-grounded, source-traceable maritime engineering knowledge system using Paris MoU data. Accepted into TÜBİTAK 1812 and İTÜ Çekirdek BİGG; developed with PRU ARISTTO pre-incubation and mentor programme support.

CORE COMPETENCIES

- Engine department management
- Team & resource leadership
- Planned maintenance
- Troubleshooting
- Fuel & lubricating-oil management
- Spare-parts procurement
- Shipyard & new-build delivery
- Class / flag inspections

CERTIFICATES & TRAINING

PROFESSIONAL DEVELOPMENT

- Cyber Security 101 — Mind Tools for Business / Emerald Works, 27 October 2026 · ID 242864139
- Craft your 2026 CPD Plan — IMarEST, 22 October 2026
- AI-Driven Solutions Across the Marine Industry — IMarEST, 19 October 2026
- Mentor Development and Training Programme — PRU ARISTTO, 21–25 September 2026
- Türkiye's Security Architecture in Our Century — Foreign Policy Institute, 14 September 2026

MARITIME / TECHNICAL

- LSA & FFE Training — Delmar Academy, 14 August 2026 · DA-BST-M02-1034
- Carbon Capture — GEMİMO, June 2026
- VLSFO Standards — İlkfer Group, June 2026
- YÖKDİL English — May 2026
- OPRC Introduction / MARPOL Annex V — IMO
- Governor & OMD — GEMİMO / Tamay Corp.

EDUCATION

- **Istanbul Technical University** — Marine Engineering Operations, 2002–2007 · YDO'06
- **İçel Anatolian High School**, 1999–2001

MEMBERSHIPS & ROLES

- **IMarEST** — MIMarEST · IMarEng · 2026
- **UYBM** — General Assembly Member
- **GEMİMO** — Member
- **DEFAMED** — Member
